

Report to Provincial Steering Committee  
October 2, 2008 meeting  
Interior Region I.D.P. of B.C.

Whole Region

- **Janette Bagabuyo**, continues the work [begun by John Bergman] on a *Program Logic Model* [PLM] leading to a *standard contract* for all IDP within the Interior. The latest draft [from June 11<sup>th</sup> meeting] is being circulated including to Dana.
- **Marcia Julian** [Manager ECD/CYSN Interior], **Shelley Allen** [Interior Health], **Isabelle Majarnic** [Infant Mental Health Clinician] and I presented the final draft of the *Framework for Infant & Early Childhood Mental Health* services in the Interior to an MCFD conference in Naramata September 16<sup>th</sup>. The framework has not yet been vetted by Regional or Provincial authorities.
- *Conference Calls* – continue to be a valuable way to keep connected. We now connect every other month; Nov 24<sup>th</sup> is the next one.
- *Mitchell Scale* – the revised version requires references to be updated; we've set end of February 2009 for completion. Many communities are keen to begin the Mitchell process. **Marcia Julian** has indicated that there may be funds to help with the cost of having a Mitchell evaluation performed.
- *MCFD ECD/CYSN planning meeting* – We had a follow-up conference call September 10<sup>th</sup> to touch base.

My work within the Region

- I continue to provide much of my support to programs through *emails and phone conversations*...both spontaneous and regularly scheduled. During the summer months I was in touch with *Revelstoke, Salmon Arm, South Okanagan, East Kootenay, Boundary, West Kootenay and 100 Mile House staff*.
- June 25-27 I traveled with **Connie Deane** to *100 Mile House and Williams Lake*. We met with IDP consultant & community partners including Public Health in 100 Mile House, Sue Sterling joined us in Williams Lake where we facilitated a *round table* re: AIDP, IDP and ASCD..
- August 12<sup>th</sup> I facilitated the same *community round table* for AIDP and IDP in the *Nicola Valley*.

RA provincial work

- I will be involved in **Gesell training** at Prince George October 20 & 21.

Respectfully submitted
